

MANAGING YOUR INSPIRA ACCOUNT

How to access your health savings account (HSA)

Save and spend to a better tomorrow with your Inspira HSA online account or Inspira Mobile™ app

Setting up your HSA online

If you're new to Inspira, go to mybenefits.inspirafinancial.com and select 'create profile'. Here's the information you'll need to get started.

- Social Security number or employee ID number
- Email address
- If you have an Inspira card, the last four digits help us verify your account

Account access and features

If you already have your Inspira account set up, you can access it anytime you want online or through the Inspira Mobile app via the [App Store](#) or [Google Play Store](#).

Using your HSA online or through the app you can:

- Deposit funds
- Check your balance, deposits, withdrawals, and payments
- Set up notifications
- Go paperless
- Update your beneficiaries online
- Pay yourself back for qualified expenses
- Use the bar code scanner in our app to see if an item is an eligible expense, be sure to cross check with your plan

Growing your HSA funds

Now that you have an HSA with us, you can also open an HSA investment account. Once you have more than \$1,000 in your HSA, you can start investing your funds to potentially grow them over time. You can see your investment portfolio and options via the app or online too.

Log in to your account at mybenefits.inspirafinancial.com.
